MESSAGE FROM
THE **PRIME MINISTER**
OF ANTIGUA & BARBUDA

In 1968, the Antigua and Barbuda economy was still very dependent upon sugarcane. Tourism was still in its nascent stage, though twenty hotels had sprouted on many beaches. The experts all proposed diversification, even of the tourism product. Antigua Sailing Week, 50 years ago, was deemed a significant element in that diversification drive. It was among the very first of the regattas to be placed on the annual calendar of Caribbean jurisdictions.

I congratulate the originators of this important annual sailing event for their foresight and planning. Further, I applaud all those who have made Antigua Sailing Week a success each year since 1968. The annual sailing regatta has extended the winter tourism season, brought high-net-worth men and women to Antigua and Barbuda, and generated jobs and interest in the destination.

For 50 years, the nurturing of Antigua Sailing Week has not relented. In its 50th year, the Antiguan and Barbudan people have great expectations that this phenomenal regatta will continue to be a success. The government remains committed to lend its full support, through the Ministry of Tourism and the National Parks Commission. The Prime Minister's Office will also complement that support.

Congratulations to all those who have planned the 50th edition events. The future will be even greater!

HONOURABLE GASTON A. BROWNE
Prime Minister and Minister of Finance
and Corporate Governance

MESSAGE FROM THE
MINISTER OF **TOURISM,**
ECONOMIC DEVELOPMENT,
INVESTMENT & ENERGY

Welcome to the golden edition of Antigua's premier sailing event – Antigua Sailing Week – one of the world's most prestigious regattas. Antigua Sailing Week has achieved a solid reputation within the global sailing community. Heartiest congratulations to its founders, organisers and all those whose contributions, over the years, have brought us to this milestone celebration.

Antigua and Barbuda's ideal geographic location means it has been blessed with some of the best sailing conditions anywhere in the world. As a result, over the past 50 years, this marquee annual event has attracted thousands to Antigua and Barbuda's shores. It has showcased everything our twin-island nation has to offer – from our 365 glorious beaches to our warm and friendly people. The event has become synonymous with our nation and is one of the most important in the calendar year for both residents and visitors.

Antigua Sailing Week has played an integral role in establishing the nation's premier yachting tourism position. Our excellent yachting facilities and services continue to attract the attention of other worldwide regattas.

Antigua Sailing Week is a magnificent spectacle to be enjoyed by visitors and residents of Antigua and Barbuda alike. We look forward to celebrating the next 50 years and providing thousands more the opportunity to participate in this illustrious regatta.

HONOURABLE ASOT A. MICHAEL
Minister of Tourism, Economic Development,
Investment and Energy

50th | WELCOME

Dear Sailors, Spectators & Partygoers,

We are delighted to reach this milestone year in Antigua Sailing Week's history.

The 50th edition of Antigua Sailing Week has been the most challenging one yet for the current planning team, but hopefully one of the most rewarding for everyone. We look forward to welcoming crews and spectators from the four corners of the earth to come together with everyone in Antigua to celebrate this milestone event and have a fantastic time.

We are very fortunate to have amazing venues for Antigua Sailing Week – from the history and glamour of Nelson's Dockyard, to the wonderful facilities at Antigua Yacht Club and the stunning beauty of our beaches, there could be no better venues at which to run an event.

We promise you an unforgettable week and thank all of our teams in advance for their hard work and dedication, including our sponsors, partners, government ministries and officials, volunteers, businesses and friends from around the island, who come together to support this annual event.

Whether racing, spectating or partying, we know you're going to have a wonderful week.

50th | RACING

SAILING WEEK RACES

Antigua Sailing Week consists of five days of racing during which crews are challenged with a variety of coastal race courses encouraging tacking duels around the buoys, all in the picture-perfect setting of the deep blue Caribbean Sea off Antigua's south coast with ever-present trade winds.

The fleet consists of everything from a selection of the world's top racing boats to sport boats, race charter boats, family cruisers, bareboats and multihulls, all ranging in size from about 20 feet to over 100 feet in length. New for the 50th edition of Antigua Sailing Week is a Club Class for slightly less serious racers who want to be part of the on-the-water action.

Race starts are divided between two committee boats that rotate start locations daily. On each day of racing, one fleet will start at the Rendezvous start line and race towards the west, while the other fleet will start at the Windward start line and race towards the east. Occasionally, the fleets are mixed up

on the water providing sailors with challenging racing and spectators with quite a spectacle, as they watch a huge variety of colourful spinnakers hoisted in close proximity to each other.

Daily prize givings take place after each day of racing and provide an opportunity for sailors to get together in the Presidente Beer Garden and exchange stories about the day's racing, followed by the awarding of winners' pennants to 1st, 2nd and 3rd place daily finishers in each class.

Wednesday, May 3 is a day of rest (and partying) for Antigua Sailing Week's sailors, most of whom will head down to Pigeon Beach where they may participate in the Nonsuch Bay RS Elite Challenge or will cheer on those who are, before joining in the fun and games on the beach that will follow.

Antigua Sailing Week offers racing for sailors of all skill levels and everyone is invited to participate. The 50th celebration will be one not to miss – both on and off the water!

THE PETERS & MAY ROUND ANTIGUA RACE

The Peters & May Round Antigua Race will return in 2017 on Saturday, April 29. This exciting optional race is scored separately from the full week's racing and provides crews with an opportunity to tour Antigua's stunning coastline.

Many participants will try to break the existing monohull elapsed time record set in 2009 by Antigua Sailing Week's 2011 overall winner, Sojana, of 4 hours, 37 minutes and 43 seconds. Sojana will be back for the 50th Antigua Sailing Week and we're all waiting to see which yachts will challenge her for the record!

The Peters & May Round Antigua Race will culminate in an awards presentation on the evening of Saturday, April 29 followed by the 50th Antigua Sailing Week welcome party in Nelson's Dockyard.

THE GUADELOUPE TO ANTIGUA RACE

The Guadeloupe to Antigua Race is a tradition that existed even before Antigua Sailing Week began 50 years ago, and is organised in conjunction with Antigua Yacht Club and the Triskell Organisation in Guadeloupe.

The 42-nautical mile event provides great racing and an opportunity to enjoy the warm hospitality of the event's hosts in Guadeloupe, Triskell and the Village of Dehaies. It's ideal for Caribbean cruisers because there are no race marks – simply a start line in Guadeloupe and a finish line in Antigua.

The race will start on Friday, April 28 just north of Deshaies and finish off the Pillars of Hercules in English Harbour, followed by a prize giving at Antigua Yacht Club at 5:30 pm.

The race record set by Mari-Cha IV of 2 hours, 18 minutes and 42 seconds in 2004 stood until it was smashed by Lloyd Thornburg's MOD 70 trimaran Phaedo ^3 in 2015 in an amazing 1 hour and 27 minutes!

DAILY PRIZE GIVINGS

Daily prize givings and post-race social events will take place following each day of Antigua Sailing Week racing starting on Sunday, April 30. The daily prize givings recognize sailors' achievements on a daily basis - awarding 1st, 2nd and 3rd place winners with pennants to be flown from their backstays in future races. They are fun, fast and offer a great photo opportunity for teams that may not reach the podium at the end of the full week of racing.

The Presidente Beer Garden provides a familiar and comfortable environment for sailors and spectators alike where they can get together after racing daily to enjoy a few cold Presidente Beers and chat about the day's on-the-water action. Each day will feature a different DJ to provide background music until the prize giving takes place, after which the volume will be cranked up a little to get everyone into the party mood in preparation for the evening's activities. The Presidente Beer Garden will open until at least 6 pm daily and much later on days when the evening parties will follow at the Beer Garden venue.

There will be two venues: Antigua Yacht Club and Nelson's Dockyard.

If you want to be part of the action but you're not racing, there are some excellent options throughout the week. All race courses will be off the south coast of Antigua.

Each day of racing some boats will sail from the Windward start line to the east and others from the Rendezvous start line to the west. There are excellent spectating opportunities from vantage points along the south coast and in particular from Shirley Heights, the Blockhouse, Fort Charlotte, Windward Beach, Rendezvous Beach, Carlisle Bay, Morris Bay and from various trails along the south coast.

For those who want to be part of the action from the land side, there is a fabulous treat in store! Watch the start of the races at the world famous Shirley Heights Lookout, listen to the live commentary with English Harbour Radio right there with you, so you know who's who and what they're doing. Take a seat, enjoy the breeze and have a panoramic view of English Harbour, Nelson's Dockyard and maybe even

Montserrat on a clear day.

Land lubbers can call in for a few minutes or hours, or can join a Chase the Race by Land Tour on Mon., Tues., Thurs. and Fri. and enjoy an all inclusive day including drinks and a fabulous Caribbean buffet at Shirley Heights, before being whisked off to the After Chase the Race Beach Party venue for the day.

Shirley Heights Lookout Breakfast Party

The traditional Shirley Heights Breakfast will take place on Sunday, Apr. 30 from 8 am – 11 am. Enjoy a fabulous local breakfast with bush tea and Johnny Cakes included.

What better way to get a taste of ASW's 50th edition races than to actually be out on the water alongside the racing yachts! For the first time, ASW is offering the opportunity to Chase The Race EVERY day. On Monday, Tuesday, Thursday and Friday you have the additional excitement of a great beach party as well.

Sunday sees the start of the racing with our traditional Chase the Race, setting off and returning to Falmouth along with two other boats starting from hotels around the island. You return at around 3 pm.

Make your way to Falmouth Harbour on Sunday, or you will be picked up from the beach at Dickenson Bay, Hawksbill, Jolly Beach, Cocos, Curtain Bluff, or Carlisle Bay and taken to the races where you will spend a couple of hours watching some of the best

sailors in the world pitching their skills against each other.

On Monday, Tuesday, Thursday and Friday at around noon, you will then set off for a beautiful sail along the coast before enjoying a delicious Caribbean lunch on board and then you will head off for some Antiguan fun on the beach! Each day, there is a party on a different beach – with a different DJ and games – but the same warm waters, warm smiles and all-inclusive bar. Plus each beach will have a cash bar if you fancy treating yourself to a quintessential Pina Coloda or other delicious cocktails!

Your boat will then set sail for home at around 5 pm and no doubt the party will continue on board as the bar reopens for the homeward stretch!

For those who would like to learn more about the immense history of this beautiful location, guided tours of Clarence House will be available - reserve your place upon arrival.

Just the stunning views over Nelson's Dockyard and English Harbour by night make this event alone, worth the trip up the hill. It will be a truly magical night that you won't want to miss.

PARTYING

This legendary party must be experienced. Unique to Antigua, the Governor General presides over the prize giving and assists in presenting the stunning array of silverware to the winning teams and the overall prize, the Lord Nelson Trophy.

The party continues with live music from Antiguan superstar Asher Otto and Itchy Feet. Dance into the night at this fitting celebration, which brings to an end the weeklong festivities of Antigua Sailing Week. Tasty seafood and meats from the grill will be available throughout

the evening whether you choose to enjoy dinner al fresco or just need a snack. This event brings together sailors, islanders and other visitors all in one place, in an incredible location. Whether you have raced, spectated or partied, this is a superb night to enjoy.

Final Awards Party starts at 6 pm and the Awards Ceremony will begin promptly at 7 pm followed by the After Party.

Location: Nelson's Dockyard.

DOCKYARD DAY

DOCKYARD DAY

Come and enjoy this wonderful day with your family and friends. Starting at 2 pm, Dockyard Drive will be the scene of a cultural parade that includes marching bands, iron bands and dancers leading the procession into Nelson's Dockyard. At 3 pm, the winners of the LIAT School Art Competition will be honoured on stage before two hours of fun activities commence. For the 50th edition, the Greasy Pole and the Non-Mariners Race will make a come-back.

The Royal Police Force of Antigua and Barbuda will then begin the Beating of the Retreat at 5:15 pm followed by an evening packed with entertainment. A bounce castle and bungee jumping will keep the kids entertained and you can fuel up on local food and drinks.

Location: Nelson's Dockyard
Time: 2 - 10 pm

THE WADADLI GRILL

The Wadadli Grill for many people is their favourite place to eat all week long. It is a great place to visit to get a taste of good Antiguan and Barbudan cuisine, fresh from the grill.

Opening by Friday, April 28, the vendors fire up the grills by sunset each day and serve everything from chicken and ribs through to lobster, crab backs, conch water and other local specials.

Crew dinners can usually be accommodated by moving tables together. It's the perfect spot to watch the world go by. If you get a touch of the munchies later, don't worry, the Wadadli Grill opens well into the early hours of the morning. In fact, many revellers rely on the Wadadli Grill to fuel up on food to keep them partying until dawn.

Location: Nelson's Dockyard
Car Park opposite Abracadabra

DICKENSON BAY BEACH BASH

Photo: Joseph James

The Dickenson Bay Beach Bash is back — in a new way — for the 50th edition of Antigua Sailing Week. Experience a celebration of Antiguan food, culture and music all delivered in the ultimate location – Dickenson Bay. Food vendors will be lining the beach, so come hungry.

The party starts at 12 o'clock on the big stage (in front of the Rex Halcyon end of the beach) and will include musical performances by some of the best Antiguan Artists and topping off the night with the Original Burning Flames.

At both Ana's and Coconut Grove, DJ's will provide the musical backdrop for the day, which will run late into the evening. Whether you are heading to the beach by car, by taxi, by foot or by boat, bring your friends, family and neighbours with you to celebrate the return of the ultimate Caribbean beach party.

COMPETITION

2016 OVERALL WINNER
ADANTE LAKE
ISLAND ACADEMY

50th
ANTIGUA SAILING WEEK
2017

In 2016, Adante Lake from the Island Academy School won the coveted LIAT School Art Competition. The signboard (pictured left) can be viewed at the Cobbs Cross junction on the left-hand side as you drive into English Harbour. The LIAT School Art Competition, every year, inspires students between 5 to 18 years of age to express themselves through art. The competition, which has existed for 50 years, was created to encourage community participation in Antigua Sailing Week.

Given this momentous time in our history, the theme for the 2017 LIAT School Art Competition is **"How Has Antigua Sailing Week Broadened Our Horizons?"** We have encouraged participating students to express their creative ideas and provide their artistic interpretations of what the event and its activities mean to them. generally we receive more than

200 entries, which are then assessed and judged by a panel of six judges, including one of the founders of the competition Lisa Nicholson along with Ethelyn Philip, who has been involved almost as long.

We would like to thank sponsors LIAT, the Caribbean Airline along with Harper's Office Depot, Big Banana, Colombian Emeralds, Gill and the Antigua Hotels and Tourist Association along with other donors, who support this competition.

Winners of the 2017 competition will have an opportunity to tour Sir Peter Harrison's yacht, the Farr 115 Sojana, in Nelson's Dockyard prior to going on stage to receive their accolades.

OUR GREEN INITIATIVES

Antigua Sailing Week has operated the Sailors for the Sea Clean Regattas programme in conjunction with the Environmental Awareness Group for seven years now. For 2017, we are delighted to have Sea Bags on board as our sustainability partner. If you need to dispose of your old sails bring them to the Yacht Club Car Park and Sea Bags will ensure they are re-used by transforming them into beautiful bags. Each year, we look at how we can improve things. Please take a look at our list of requests opposite. Together, we can all make a difference.

ENVIRONMENTAL CHECK LIST

Help us assist you to make this easy by committing to these seven initiatives.

1. Single use water bottle reduction:

Purchase bulk water and use reusable containers when possible.

2. Trash free regatta:

Reduce, Reuse and Recycle! Help us as we strive for a trash free regatta:

- **Boat waste:** Each marina will organize collection of refuse twice daily. Please ensure you separate your waste – BLACK bags for landfill, CLEAR bags for recycling.
- **Recycle:** At the boat, we will hand you detailed instructions indicating the items that can be included.
- **Oil disposal:** Appropriate oil disposal available at Falmouth Harbour Marina and in Nelson's Dockyard.
- **Batteries:** We can dispose of your lead acid batteries. We are not able to dispose of electronic batteries. Please switch to rechargeable batteries when you can.

• Pedestrian waste:

Please appropriately use the waste stations provided in and around the event!

3. No discharge:

In the marina, please follow national and international standards.

4. Use nontoxic cleaning products:

Use nontoxic products such as white vinegar, baking soda, hydrogen peroxide. Traditional products like bleach are very detrimental to the marine environment, with no added benefit!

5. Bottom cleaning:

Please try to come with a clean bottom. Limit your bottom cleaning in the marina whenever possible and use toxic free cleaners.

6. Straws on request:

We are requesting restaurants to stop serving straws. Customers you can help by asking your server or bartender not to give you one, or if given a straw please give it back.

7. Plastic:

Where possible use your own re-usable shopping bags rather than plastics. Most stores in Antigua are now offering paper or re-usable options. Please make use of them.
